Clinical Leaders Advanced Workshop:

Using PCOC reports

&

Queensland Benchmarking event

A full day interactive program designed to increase skills in the use of outcome data to drive change. This workshop will also review the 2020 Queensland results versus the national results.

Participants will learn how to use and interpret clinical data and plan improvements, including:

- ✓ Data dive and critical reflection using PCOC reports, Dashboards and Supplementary Reports
- ✓ Use data to target an area for improvement
- ✓ Apply quality improvement to plan and drive change

Target audience & requirements:

- Clinicians and managers familiar with PCOC reports and assessment tools
- It is recommended that attendance is in pairs or groups
- Participants are required to bring their most recent report, dashboard and supplementary reports

Where: **Level 4 Seminar Room, IHBI Building, QUT, 60 Musk Ave, Kelvin Grove, Brisbane**

When: **Wednesday 14th April, 2021**

Time: **9am – 4pm (registrations from 8.30am)**
