UNIVERSITY OF WOLLONGONG AUSTRALIA

First Year Enrolment Guide 2027

Faculty of Engineering and Information Sciences

Course Name: **Bachelor of Engineering Technology (Wollongong)**
Course Code: **3249**
Major(s):
- **Advanced Manufacturing**
- **Electronics**
- **Sustainable Infrastructure and Resources**
- **No Major**

UAC Codes: **755630 (Wollongong)**

Wollongong

COMPULSORY SUBJECTS – BACHELOR OF ENGINEERING TECHNOLOGY

Please enrol in the following subjects:

Advanced Manufacturing

Autumn Session		**Spring Session**	
MATH140	Mathematical Foundations for Engineering	MATH141	Foundations of Engineering Mathematics
PHYS115	Introduction to Concepts of Physics	ENGG104	Electrical Systems
ENGG102	Fundamentals of Engineering Mechanics		Elective Subject
ENGG103	Materials in Design		Elective Subject

Electronics

Autumn Session		**Spring Session**	
MATH140	Mathematical Foundations for Engineering	MATH141	Foundations of Engineering Mathematics
PHYS115	Introduction to Concepts of Physics	ENGG100	Engineering Computing and Analysis
ENGG105	Engineering Design for Sustainability	ENGG104	Electrical Systems
	Elective Subject		Elective Subject

AND

Summer 2027-2028	
MATH142	Essentials of Engineering Mathematics

UNIVERSITY OF WOLLONGONG AUSTRALIA

Sustainable Infrastructure and Resources

Autumn Session		Spring Session	
MATH140	Mathematical Foundations for Engineering	MATH141	Foundations of Engineering Mathematics
PHYS115	Introduction to Concepts of Physics	ENGG100	Engineering Computing and Analysis
ENGG102	Fundamentals of Engineering Mechanics		Elective Subject
ENGG105	Engineering Design for Sustainability		Elective Subject

No major

Autumn Session		Spring Session	
MATH140	Mathematical Foundations for Engineering	MATH141	Foundations of Engineering Mathematics
PHYS115	Introduction to Concepts of Physics	ENGG100	Engineering Computing and Analysis
	Elective Subject		Elective Subject
	Elective Subject		Elective Subject

NOTES

Core and elective subject options can be found in the handbook.
Students with credit transfer subjects on their offer should consult their Academic Program Director (APD) for a program of study.

NEED HELP?

If you have any questions about your enrolment or studying at UOW, please contact the AskUOW team at 1300 275 869 (+61 2 4221 3927 from overseas) or askuow@uow.edu.au. or refer to the enrolment FAQs page for self-help options.
