2019 PARKING – WOLLONGONG CAMPUS

Parking is limited at the Wollongong Campus. Anticipate high demand for parking in peak periods, particularly at the start of Autumn session. Where practicable, avoid driving to campus, instead choose either walking, cycling, using bus and train services. Or otherwise carpool with three or more for free parking.

Parking options

Pay & Display ticket parking 8:30am – 6:30pm Monday to Friday is restricted to signposted ticket bays in P3, P4 and P8 carparks. Purchase a Pay & Display ticket from one of the ticket machines and display it on the vehicle's dashboard, correct side up. There are two Short-term Parking Stations – the Multistorey Carpark (P1) and under the Sports Hub (P6). Carparks P2, P3, P5 and P8 have UOW entry (blue) permit parking 8:30am – 6:30pm Monday to Friday. Designated bays in these carparks are restricted to permit holders only. An entry permit does not guarantee a parking space.

Parking rates and penalties

Rates are listed on the reverse side of this sheet or at uow.edu.au/transport/parking. Parking at UniActive's Sports Hub car park (P6) has a members' rate and a retail rate (see uniactive.uow.edu.au/aboutus/parking).

In ticket bays a ticket must be displayed correct side up showing the date and expiry time. Failure to display a current ticket or displaying an expired ticket will result in the issue of a penalty notice. Failure to display a valid permit in permit bays will result in a penalty notice being issued. Failure to comply with any signposted conditions will result in the issue of a penalty notice processed by Revenue NSW. Note: Tickets are not valid in UOW permit bays and UOW permits are not valid in ticket bays except where signposted display a ticket in ticket bays.

Carpooling – “3 for free” parking

UOW encourages students and staff to carpool to share the cost of parking and petrol, and reduce environmental impacts. Parking is free in the P4 carpooling area for cars bringing three or more people to campus. Arrive between 7:30am and 5:45pm (3pm on Fridays) and see the Parking Attendant as you drive in. Carpooling is also available for staff arriving with three or more people in a car in the Multistorey Carpark (P1). Arrive between 8:00am and 3:30pm and show your staff ID to the Parking Attendant when you arrive.

Visit uow.edu.au/transport/parking/carpooling.

ALTERNATIVES TO DRIVING

Free shuttle buses

- **Gong Shuttle**– routes 55A (anticlockwise) and 55C (clockwise) connecting to Fairy Meadow, Innovation Campus, Weerona College, North Beach, the CBD, Wollongong Station, and the Hospital.
- **UOW North Gong (NG) Shuttle**- connects the Wollongong Campus with North Wollongong Station.
- **UOW Gwynneville- Keiraville (GK) Shuttle**– connects the Wollongong Campus with Keiraville, Gwynneville and Wollongong in both clockwise (GKC) and anticlockwise (GKA) loops.

Visit uow.edu.au/transport/shuttles for more information on routes and timetables.

Trains and other buses

North Wollongong Station is the closest to UOW. Catch the **free North Gong Shuttle** to Wollongong Campus from the station. Make the most of your travel time to study or catch up on work is easy with more than 100 train services running to and from North Wollongong Station every weekday.

For information about other bus services to UOW see “Travelling from your suburb” at uow.edu.au/transport/suburban.

Walking and cycling

With over 43% of students and staff living within 3km of UOW, students and staff are encouraged to consider green and healthier active transport options like walking and cycling.

- All paths on the campus are shared. Cyclists are reminded to take care and always give way to pedestrians. Regulations require a helmet to be worn when riding on and off campus, and have a white headlight and a rear red light if riding at night.
- Bike racks are located outside most buildings on campus. Secure undercover bike parking and end-of-trip facilities are available in Building 6 (SMART), Building 19 (Arts), Building 21 (Early Start), Building 32 (IHMRI) and Building 43 (Sciences Teaching Facility).

Visit uow.edu.au/transport/cycling.
