
CROP-SHARING

Centre for Responsible Organisations & Practices

In this issue:

- Launch CROP E-brochure
- Highlights from 2019
- Research Retreats
- Impact
- Seminars

Seminars 2020

Seminars this year will take a slightly different format by focussing on CROP research and the **Sustainable Development Goals**.

If you have a project that fits within the SDGs please advise Lee Moerman leem@uow.edu.au

Further information regarding seminars will be circulated shortly.

Research Retreats

Two retreats are planned for 2020 in the week beginning 11th May and 23rd November. These events are fully catered and provide a quiet period of time to concentrate on writing and getting to know staff and students from other disciplines.

CROP e-brochure

The CROP e-brochure will be launched on 23rd March 11.30 – 1.00pm. The e-brochure features both individual member profiles and four CROP projects from 2019. The e-brochure will be available on the [CROP website](#)

Impact Ladder

You may recall CROP is based on a series of ladders. During the year we will update CROP member impact in 2019/2020

Highlights for 2019

- ⇒ Seminar/Workshop with international visitors (Prof. Gheradi and Prof. Strati) December 2019
- ⇒ Four (4) two-day research retreats
- ⇒ Book – *Elicitation Strategies for Interviewing and Fieldwork*
- ⇒ Development of CROP e-brochure showcasing active CROP members and selected projects.
- ⇒ CROP members achieved 7 A/A* (6 A & 1A*) publications, 2019
- ⇒ 7 x UOW grants
- ⇒ 5 x Faculty grants
- ⇒ AASB research project (Australian Accounting Standards Board) – report and presentation in 2019
