STUDY AT UOW BEGA

COURSES IN
ARTS / BUSINESS / COMMERCE / EDUCATION / NURSING / SOCIAL SCIENCES
After five years of service in the military, Alexander decided to pursue a career in Nursing. He hadn’t completed his secondary schooling, but gained entry through one of the many pathways to UOW Bega. “Class sizes are small, enabling good relationship building. Studying regionally means I complete my prac locally—this allows me to see and meet people that I will be working with in the future.” University is one of the most amazing things you will ever do. It opens up ideas and thoughts that will change the course of your life, and doing that locally is a bonus.”
