

Clinical Leaders Advanced

Workshop – Using PCOC reports

A full day interactive program designed to increase skills in the use of outcome data to drive change.

Participants will learn how to use and interpret clinical data and plan improvements, including:

- ✓ Data dive and critical reflection using PCOC reports, Dashboards and Supplementary Reports
- ✓ Use data to target an area for improvement
- ✓ Apply quality improvement to plan and drive change

Target audience & requirements:

- Clinicians and managers familiar with PCOC reports and assessment tools
- It is recommended that attendance is in pairs or groups
- Participants are required to bring their most recent report, dashboard and supplementary reports

Where: Rockford Hotel, 164 Hindley Street, Adelaide

When: 22 September 2021

Time: 9.00am – 3.30pm (registration from 8.30am)

Registration: Email your PCOC Improvement Facilitators
