Program information

Maximise your HSC results and kick-start your Bachelor degree with our three week Summer Master Class university experience.

4 REASONS TO APPLY

1 Maximise your HSC results

Each subject refers to and extends upon the 2018 HSC Syllabus, giving you an opportunity to gain new perspectives, assessment techniques and knowledge for your HSC!

2 Experience university life whilst still at high school

Complete a university-level subject at UOW while you're still at school. When you start at university after high school, you will feel right at home.

3 Receive a guaranteed Early Admissions interview *

Summer Master Class graduates are guaranteed an interview for Early Admission at UOW.

*Conditions apply. See the Summer Master Class website for more information.

4 Get 6 credit points towards your UOW degree

You could be eligible to skip a whole subject when you start at UOW after you receive 6 unspecified credit points.

I thoroughly enjoyed being given the opportunity to apply course knowledge and skills in real world practical projects. My lecturer developed engaging projects and I became even more passionate about pursuing an engineering degree at UOW."
(Student, 2016)

"I benefited most from learning new information from my lecturers, mentors and even class mates that will not only benefit me in my HSC, but also uni and life"
(Student, 2016)

DATES & TIMES

Starts: Thursday, 4th January 2018
Ends: Tuesday, 23rd January 2018

Each subject will have it's own timetable for each day on campus. Classes will always be scheduled between 8:30am - 5:30pm.

COSTS & SPONSORED PLACES

The cost of the program is $400, payable upon an offer of a place in the program. Fully sponsored places are available to equity students and students from In2Uni high schools.

LOCATIONS

Summer Master Classes will be held at both the UOW Wollongong campus and the UOW South Western Sydney campus in 2018. Subjects vary for each location. Look for the icon next to subject title:

W SWS

SCHOLARSHIPS

Travel and accommodation scholarships are available for equity students and students from In2Uni high schools.

Please indicate whether you would like to apply for these on the application form.

ACCOMMODATION

Students who are travelling to for the program may like to consider staying at our student residence: 'Marketview'.

Please see the Summer Master Class website for options and costs.

Choose a subject

BUS002: Responsible Business Decision-Making (W) (SWS)

Faculty of Business
HSC Syllabus extended upon: Business Studies
Expected Times: M, W, F (8:30am - 3:30pm)

This subject gives you the tools to understand the fundamental interrelationships that exist in responsible business decision-making. It explores responsible decision-making with reference to the impact on company strategy, disciplinary functions, stakeholders and customers.

SUBJECT ENTRY CRITERIA

C or above in Advanced English **OR** A or above in Standard English; **AND**
B or above in Business Studies **OR** B or above in Legal Studies **OR** B or above in Economic Studies

HAS001: Determinants, priorities and health promotion in action (W)

Faculty of Social Sciences
HSC Syllabus extended: PDHPE and Public Health
Expected Times: M, W, F (8:30am - 3:30pm)

Understanding socio-cultural and environmental determinants and how they impact health behaviour is essential in helping develop programs and preventative strategies. This subject offers you the opportunity to examine health priorities and populations at risk. With input from experienced practitioners, you will workshop case studies and local examples of health promotion in action.

SUBJECT ENTRY CRITERIA

C or above in Advanced English **OR** B or above in Standard English; **AND**
B or above in PD/H/PE

LHA001: Discovery & Rediscovery in the 21st Century (W) (SWS)

Faculty of Law, Humanities & the Arts
HSC Syllabus extended: English
Expected Times: M, W, F (8:30am - 3:30pm)

Through exploring and responding to a wide range of texts in relation to global and social issues, you will learn to make discoveries about places, people, societies and relationships and learn to create your own new ideas. Some of the topics include: Unearthing Inhumanity with Oxfam, Local Writing and Research Abroad, Rediscovering Anarchy with "Game of Thrones", and Un-Concealing "Frozen" Selves: Disney's Narrative Warming.

SUBJECT ENTRY CRITERIA

C or above in Advanced English **OR** A or above in Standard English **OR** C or above in Extension English

LHA002: Controversies in Contested Histories (W)

Faculty of Law, Humanities & the Arts
HSC Syllabus extended: History
Expected Times: M, W, F (8:30am - 3:30pm)

This subject explores global conflict and deals with the issue of how historians separate fact from fiction. There will be a wide range of case studies from different eras and parts of the world including Alexander the Great, the Tudors, the World Wars, Cold War, JFK and the Russian Revolution.

SUBJECT ENTRY CRITERIA

C or above in Extension/Advanced English **OR** A or above in Standard English; **AND**
B or above in Aboriginal Studies **OR** B or above in Ancient/ Modern History **OR** C or above in Extension History

LHA003: Introduction to Visual Arts (W)

Faculty of Law, Humanities & the Arts
HSC Syllabus extended: Visual Arts
Expected Times: M - F (8:30am - 4:30pm)

Designed to develop your creative practice and give you the skills to develop your HSC major work, this subject includes both lectures and dynamic studio workshops taught by professional artists and aims to underpin and support the development of two minor projects. Your completed work will be exhibited in the TAEM (School of the Arts) gallery at the end of the program to give you exhibition experience.

SUBJECT ENTRY CRITERIA

C or above in Advanced English **OR** B or above in Standard English; **AND**
B or above in Visual Arts

SMAH001: An Introduction to University Science (W)

Faculty of Science, Medicine & Health
HSC Syllabus extended: Biology, Chemistry, Sciences
Expected Times: M- F (varies 8:30am-5:30pm)

SMAH001 offers you an opportunity to develop scientific research skills, to use modern laboratory equipment and to learn to use modern research tools under the guidance of UOW staff. In this subject, you'll undertake study in the strands of Anatomy, Biology, Chemistry, Earth & Environmental Sciences and Physiology.

SUBJECT ENTRY CRITERIA

B or above in a Science subject; **AND**
C or above in Mathematics (2-unit) **OR** C or above in Extension Mathematics

STEM001: Sustainable Futures through Maths, Physics and Engineering (W)

Faculty of Engineering & Information Sciences
HSC Syllabus extended: Physics, Maths & Engineering
Expected Times: Tu - F (8:30am - 2:30pm)

In STEM001, you will explore the big challenges facing future development and engineer your own micro hydropower system. Utilise a 3D computer aided design package and 3D printing technologies to design and test your theories, while combining maths, physics and engineering to find the most effective solution.

SUBJECT ENTRY CRITERIA

C or above in Advanced English **OR** A or above in Standard English; **AND**
B or above in Mathematics (2-unit) **OR** B or above in Engineering Studies **OR** B or above in Physics
