

Supporting Documentation Learning Labs

Outreach and Pathways Unit | University of Wollongong

FOR FIRST TIME APPLICANTS ONLY

As part of the application process, parents will be asked to upload supporting documents. **You do not need to supply any supporting documents if you are a past program participant.**

Only ONE piece of supporting documentation needs to be supplied from the following list:

- **Teacher nomination letter**, either;
 - School nomination template supplied from the school
 - An individual note supplied from the teacher – indicating your child is able to work a couple of years above their age group in their area of interest.
- **Distinction or High Distinction** in the Australian Schools Science, Math or English Competitions
- An **academic scholarship** of some description
- **Placement or offer of placement** in a self-contained class for academically gifted students (Selective School , OC Class or pull out program)
- **A score within the top band** of the relevant aspect in the NAPLAN test (literacy or numeracy)
- 90th percentile or above on any individual or group **IQ test**

- **For Little Learning Labs and Home Schools only: Parent nomination letter** indicating how your child is able to work a couple of years above their age group in their area of interest.
