### PRIVACY STATEMENT- UNICONNECT

Please be aware that each Uni Connect session will be streamed via Zoom and may be recorded by UOW.

If you do not wish to be recorded, you can leave your microphone and webcam turned off. This means that only your name and/or initials will be displayed (and in some circumstances your uploaded photo).

Where a recording is made by UOW, it may be made available to students and only shared with the students participating in the Uni Connect program. Recordings may also be used for review purposes.

You must not download the recording and/or use it for any other purpose as it may contain copyright material and personal information of others, which you are not authorised to use. You do not have permission to record any Uni Connect program sessions but if you would like to access the recordings, please seek permission from UOW Staff Members including your In2Uni Mentors.

If you have any concerns about participating in the session and/or recording, you may contact your In2Uni Mentor or email the In2Uni team at UOW to discuss your particular circumstances. Please note that UOW will exercise its discretion to delete any material from the recording.

The recording will be made using Zoom and may be hosted in the cloud. Therefore, there may be instances where the recording may be held outside Australia. You may wish to refer to [Zoom's privacy policy](#) for further information. UOW's privacy page is available at <https://www.uow.edu.au/privacy/>.
