Subject substitution List for BIT students undertaking a major in Social and Digital Innovation

With the discontinuation of subjects in the Social and Digital Innovation major the following list of subjects can be used to complete this major. Please ensure that the selection of subjects satisfies the degree rule that stipulates a minimum 12cp of 300 level subjects. In practical terms this means choose one of ther following scenarios:

1. 1x200; 3x300

OR

2. 2x200; 2x300

Please seek confirmation from a degree director once a choice has been made.
