Acknowledgement of Country

We Acknowledge that Country for Aboriginal peoples is an interconnected set of ancient and sophisticated relationships.

The University of Wollongong spreads across many interrelated Aboriginal Countries that are bound by this sacred landscape, and intimate relationship with that landscape since creation.

From Sydney to the Southern Highlands, to the South Coast.

From fresh water to bitter water to salt.

From City to Urban to Rural.

The University of Wollongong Acknowledges the Custodianship of the Aboriginal peoples of this place and space that has kept alive the relationships between all living things.

The University Acknowledges the devastating impact of colonisation on our campuses' footprint and commit ourselves to truth-telling, healing and education.

Message from the Executive Dean, Senior Professor Gursel Alici

Dear Students, Families, and Sponsors,

I am delighted to address you in this year's Faculty Prize booklet, celebrating the outstanding achievements of our students – whose dedication, hard work, and academic excellence have not only earned them well-deserved recognition, but have also brought pride to all of us.

To our students: Your accomplishments are a testament to your perseverance and passion for learning. Each of you has demonstrated remarkable talent and commitment in your respective fields, and your achievements inspire us all. Please take pride in your accomplishments and continue to pursue your academic and career goals with the same determination.

To families: Your unwavering support has been instrumental in the success of our students. Your encouragement, guidance, and belief in their abilities have undoubtedly played a crucial role in their academic journey. Together, we form a supportive academic community that fosters growth and excellence.

To sponsors: Without your generosity and ongoing support over many years, these prizes would not have been possible. We deeply appreciate and value your commitment to sponsoring various prizes, which are highly instrumental in motivating our students to push their limits for excellence in their education, training and development.

To our faculty members both academic and non-academic staff, I express my deepest gratitude for your unwavering support, guidance, and mentorship. Your expertise, passion, and dedication have been instrumental in nurturing the minds of our students, fostering an environment of growth, and instilling in them a love of knowledge and innovation to make them life-long learners equipped with strong academic and soft skills.

Congratulations once again to all our prize recipients. Your achievements are a source of inspiration, and we look forward to witnessing your continued accomplishments and success.

Best regards,

A handwritten signature in black ink, appearing to read 'Gursel Alici'. The signature is fluid and cursive, with a prominent 'G' and 'A'.

EIS Faculty Postgraduate Thesis Award

Faculty Postgraduate Thesis Award

Awarded to the student with the best postgraduate thesis in 2023.

Thesis Title: A study on Al matrix hybrid composites reinforced with ceramic particles and carbonaceous materials.

Fei Lin

Engineers Australia

Engineers Australia (ISRG) Award 1

Sponsored by Engineers Australia

Awarded to the student who achieves the highest weighted average mark for the completion of a Bachelor of Engineering degree.

Nathan Hawkins

Engineers Australia (ISRG) Award 2

Sponsored by Engineers Australia

Awarded to the student who achieves the second highest weighted average mark for the completion of a Bachelor of Engineering degree.

Jintong He

School of Mathematics and Applied Statistics Awards

Applied Probability Trust Prize

Awarded to the student with the best performance in 200 level mathematics subjects.

Elizabeth Mabbutt

Austin Keane Memorial Prize

Awarded to the student with the best performance in Mathematics Honours.

Michael Kaminski

Broadbridge Prize for MATH212

Sponsored by Professor Philip Broadbridge

Awarded to the students with the best performance in MATH212 Mathematical Modelling.

Nathan Cocca

Alyssa Humphrys

FinoComp Prize

Sponsored by FinoComp

Awarded to the student who achieves the best performance in STAT301 Statistical Methods for Data Science.

Daniel Mayo

Grant Cox Scholarship for Aspiring Mathematicians

Awarded to a student enrolled in their first year of BMath, BMath(Adv), BMathFin or any Mathematics double degree. Applicants must originate from a rural, regional or remote area and be relocating.

Mora Fiedler

Outstanding Performance by a First Year Student

Awarded to a first year student with the best performance in a Mathematics and Applied Statistics degree.

Nu Hoai Anh Ton

R.A Fisher Prize

Awarded to the student with the best performance in STAT201 and STAT202 statistics subjects.

Umar Babu

Scalapay Set-Maxima Award

Sponsored by Scalapay

Awarded to the student with the best performance in the Data Science and Analytics degree.

Daniel Mayo

Scalapay Hypatia Prize

Sponsored by Scalapay

Awarded to a first year female student with the best performance in a Mathematics and Applied Statistics degree.

Nu Hoai Anh Ton

S.A Senior Prize

Awarded to the student with the best performance in four 300 level Mathematics subjects.

Isaac Bankier

Tibra Capital Prize for Bachelor of Mathematics and Finance

Sponsored by Tribra

Awarded to the student with the best performance in the Bachelor of Mathematics and Finance degree.

Ethan Samper

Tibra Capital Prize for Double Degree Bachelor of Mathematics/ Bachelor Computer Science

Sponsored by Tribra

Awarded to the student with the best performance in the double degree Bachelor of Mathematics/Bachelor of Computer Science.

Nathan Cocca

Tibra Capital Prize for Financial Calculus

Sponsored by Tibra

Awarded to the student with the best performance in MATH317 Financial Mathematics.

Rebecca Browne

Tibra Capital Prize for Numerical Methods in Finance

Sponsored by Tibra

Awarded to the student with the best performance in MATH942 Numerical Methods in Mathematics.

Ruben Traicevski

William Sealy Gosset Prize

Awarded to the student with the best performance in at least four 300 level statistics subjects and have met the requirements of a major study in the statistics major.

Samuel Noakes

School of Physics Awards

Australian Institute of Physics NSW Best Graduating Student Prize

Sponsored by the Australian Institute of Physics (AIP)

Best overall performance in undergraduate physics degree (including honours)

Kiarn Roughley

CMRP Undergraduate Prize

Sponsored by the Centre for Medical Radiation Physics

Awarded to the student with the best performance in the third year of a Bachelor of Medical Radiation Physics or Bachelor of Medical Radiation Physics Advanced.

Matthew Roberts

Professor Peter Fisher Prize

Sponsored by Kimberley Glissan

Awarded to the student with the best performance in PHYS215 Vibrations, Waves and Optics.

Samuel Au

Physics Double Degree Prize

Awarded to the student with the best performance in a Physics double degree.

Christos Louca

Physics Discipline 1st Year Prize

Awarded to the student with the best performance in the first year of a Physics degree.

Alex Falconer

Physics Discipline 2nd Year Prize

Awarded to the students with the best performance in the second year of a Physics degree.

Samuel Au

Georgia York

Physics Discipline 3rd Year Prize

Awarded to the student with the best performance in the third year of a Physics degree.

Matthew Roberts

Physics Discipline 4th Year Prize

Awarded to the student with the best performance in the fourth year of a Physics degree.

Kiarn Roughley

School of Computing and Information Technology Awards

Bright Spärk Award

Sponsored by Scalapay

Awarded to the female student with the best performance in first year SCIT subjects.

Teekada Forsyth

Cypher for Life

Sponsored by Scalapay

Awarded to the student with the highest mark in CSIT328 Web Security.

Veronica Nashed

Most Promising Computing Professional Industry Prize

Sponsored by SCIT Industry Advisory Committee

Awarded to the student with the best performance across a portfolio of SCIT subjects and activities.

Brendon Kortekaas

Objective Prize for Excellence in Business Process Management

Sponsored by Objective

Awarded to the student with the best performance in ISIT332 Business Process Management.

Nathanael Setiawan

Objective Prize for Excellence in Human Computer Interaction

Sponsored by Objective

Awarded to the student with the best performance in CSIT226 Human Computer Interaction.

Trung Nguyen

Objective Prize for Excellence in Object Oriented Design & Programming

Sponsored by Objective

Awarded to the students with the best performance in CSIT121 Object Orientated Design & Programming.

Htun Nay Aung

Trung Nguyen

Objective Prize for Excellence in Programming

Sponsored by Objective

Awarded to the students with the best performance in CSCI251 Advanced Programming.

Jade Harris

Joshua Star

Objective Prize for Excellence in System Security

Sponsored by Objective

Awarded to the student with the best performance in CSCI262 System Security.

Jason Yaw

Outstanding Achievement in CSCI322 Systems Administration

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSCI322 Systems Administration

Lei Xie

Outstanding Achievement in CSIT115 Data Management and Security

Sponsored by Dr Janusz Getta

Awarded to the students with the best performance in CSIT115 Data Management & Security.

Htun Nay Aung

Trung Nguyen

Prize for Excellence in Algorithms and Data Structures

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSCI203 Algorithms & Data Structures.

Jade Harris

Prize for Excellence in Database Systems

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSCI235 Database Systems.

Viet Thai Nguyen

Richard Miller Prize

Awarded to the student with an outstanding academic record for third year full time Bachelor of Computer Science degree.

Daniel Horton

Ross Nealon Prize

Sponsored by the Family of Ross Nealon

Awarded to the student with an outstanding academic record for second year full time Bachelor of Computer Science degree.

Huy Minh Dinh

Computing and IT Discipline 1st Year Prize

Awarded to the student with the best performance in first year subjects.

Trung Nguyen

Computing and IT Discipline 2nd Year Prize

Awarded to the student with the best performance in second year subjects.

Viet Thai Nguyen

Computing and IT Discipline 3rd Year Prize

Awarded to the students with the best performance in third year subjects.

School of Civil, Mining, Environmental and Architectural Engineering Awards

Civil Engineering Awards

Australian Steel Institute Undergraduate Steel Design Award

Sponsored by Australian Steel Institute

Best work in structural steel design.

Jeremy Tyssen

Best Overall Performance in Master of Engineering course - Civil Engineering

Awarded to the student with the best performance in the Civil Engineering program.

Vrindha Lal

Professor Lewis C Schmidt Memorial Prize

Awarded to the student with the best performance in CIVL352 Structures 1.

Jake Newcombe

Steel Reinforcement Institute of Australia Prize

Sponsored by Steel Reinforcement Institute of Australia

Awarded to the students with the best performance in CIVL314 Structural Design 2.

Aaron Massey

Jake Newcombe

The Matthew Thomas Biasutti Memorial Prize

Sponsored by Stantec

Awarded to the students with the best performance in CIVL245 Construction Materials.

Kate Kershaw

Daniel Milling

Minh Nguyen

Civil Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in first year Civil Engineering.

Milo Gruwez

Civil Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in second year Civil Engineering.

Minh Nguyen

Civil Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in third year Civil Engineering.

Jake Newcombe

Civil Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in fourth year Civil Engineering.

Michael Cunzolo

Mining Engineering Prizes

Con Martin Memorial Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the student with the best performance in their fourth year of the Bachelor of Engineering Mining program.

Kayleb Byrnes

Elizabeth Tague Prize

Awarded to the students with the best performance in CMEA444 Multidisciplinary Engineering Design.

Luke Chase-Dunlop

Jovan Ristevski

Gary A Gibson Mining Thesis Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the student for the most outstanding and innovative research performance in thesis subjects CMEA498/499.

Luke Chase-Dunlop

Robert James Kininmonth Mining Prize

Sponsored by AUSIMM (Illawarra Branch)

Awarded to the students with the highest mark in MINE220 Underground Mining.

Ethan Hoswell

Quinton Wilkinson

Mining Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in first year Mining Engineering subjects.

Elsa Cusack

Mining Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in second year Mining Engineering subjects.

Elliot Tom

Mining Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in third year Mining Engineering subjects.

Braydon Haskett

Mining Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in fourth year Mining Engineering subjects.

Luke Chase-Dunlop

Environmental Engineering Awards

AUSIMM Environmental Engineering Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the students with the best performance in ENVE410 Site Remediation.

Mitchell Cayzer

Amelia Harkness

Best Overall Performance in Master of Engineering course – Environmental Engineering

Awarded to the student with the best performance in the Environmental Engineering program.

Md Mashud Alam

IACRR Prize for Water Quality Engineering

Sponsored by the International Association for Coastal Reservoir Research

Awarded to the student with the best performance in ENVE220 Water Quality Engineering.

Casey Flemming

Insite Remediation Services Environmental Engineering Prize

Sponsored by Insite Remediation Services

Awarded to an outstanding Bachelor of Engineering (Honours) graduate with a major in environmental engineering.

Emma Reeve

Stantec Prize for Sustainable Design

Sponsored by Stantec

Awarded to the student with the best performance in ENVE320 Environmental Engineering Design.

Galen Fletcher

Environmental Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in first year Environmental Engineering subjects.

Rakshitha Manohar

Environmental Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in second year Environmental Engineering subjects.

Lily Nicoll

Environmental Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in third year Environmental Engineering subjects.

Jonah Cosgriff

Environmental Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in fourth year Environmental Engineering subjects.

Naomi Kostoski

Architectural Engineering Awards

Architectural Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in second year Architectural Engineering subjects.

Jade Ryan

Architectural Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in third year Architectural Engineering subjects.

Scholarships

Delivering 4 Customers (D4C) Opportunity Scholarship for Engineering

Awarded to a Bachelor of Engineering student majoring in Civil, Electrical, Environmental or Mechanical Engineering to support the next generation of engineers.

Angus Braiden

Thomas Druhan

Mela Hoffman

Rhys Young

Glencore Corporate Scholarship

Awarded to a 2nd year Bachelor of Engineering (Mining) student and seeks to provide them financial assistance as well as real work practical experience.

Gabriel Takos

John, Belle & Richard Miller, Bridgewater Scholarships for Opportunity

Awarded to a student studying any degree at UOW who has demonstrated a passion for involvement in their community. This scholarship was established to acknowledge the long-standing connection of John, Belle & Richard Miller's family to the Illawarra Region.

Dean Chapman

Josh Hayes

Motion Asia Pacific Community Scholarship

Awarded to a student studying a Bachelor of Engineering (Electrical, Mechatronic or Mechanical) to provide them with financial assistance as well as real work practical experience.

Hagen Bossie

Motion Asia Pacific Opportunity Scholarship

Awarded to a student studying a Bachelor of Engineering (Electrical, Mechatronic or Mechanical) to provide them with financial assistance as well as real work practical experience.

George Johnston

Motion Asia Pacific Work Integrated Learning Scholarship in Engineering

Awarded to a student studying a Bachelor of Engineering (Electrical, Mechatronic or Mechanical) to provide them with financial assistance as well as real work practical experience.

Lachlan McNeilly

Harshil Rawal

Scalapay Next Generation Scholarship

Awarded to a Faculty of Engineering and Information Sciences student to support them in their penultimate year and provides opportunities for work placement and exposure to the development of world class products and best practice coding principles.

Jacob Brown

Sir William Tyree Engineering Scholarship

Awarded to a second year, high performing electrical or mechanical engineering student from rural and regional NSW and provides opportunities for work experience. The late Sir William Tyree was the founder of the Tyree Group of companies and a leading Australian industrialist.

Archer Asmus

Joshua Carter

Georgan Morris

Kye Storey

SJL Consulting Engineers Work Integrated Learning Scholarship

Awarded to a dedicated Mechanical, Civil or Architectural engineering student from a rural or regional area in their penultimate year, to gain valuable work experience and engage with engineering theory in practice.

Lewis Gooden

St John's Nowra Indigenous Student Scholarship

Awarded to students who completed their HSC at St John High School in Nowra. Supported by the generous Lorna Earl and William Woodberry Scholarship Fund.

Harrison Tan

The Do Your Thing Scholarship for Female Developers

Awarded to a female student studying a Bachelor of Computer Science, who is actively completing CSIT321 to encourage females to pursue a career in computer science.

Josia George

Jade Harris

Anika Sabrin

The Dylan Alcott Foundation Scholarship

Awarded to a student who is currently living with a disability with the purpose of providing equal education opportunities.

Hayden Brown

The Frederick Groves Transforming Futures Scholarship

Awarded to a student studying any degree at UOW who has demonstrated a passion for their community. This scholarship was named after the late Frederick Groves, a former UOW staff member.

Ash Perkuhn

The Salvestrin Sartor Jones Scholarship

Awarded to a first year student providing support to break down some of the barriers to accessing tertiary education and reaching their full potential.

Dean Chapman

Tibra Foundation Scholarship in Mathematics

Awarded to a mathematics student from a rural or regional area that demonstrates strength, grit and resilience, and drive for a career in mathematics to help those with big ambitions to realise their potential through education.

Wesley Lakelin

Transforming Futures Scholarship

Awarded to a student studying any degree at UOW who has demonstrated a passion for their community. Made possible by the ongoing commitment of community members, staff, and UOW Alumni to ensure students can make the most of their higher education.

Josh Hayes

Westpac Scholars Trust Asian Exchange Scholarship

Awarded to a student who demonstrates passion, ideas and drive to advocate for Australia's relationship with Asia, and includes opportunities to gain international experience to develop cross-cultural thinking and leadership skills.

Georgi Coddington

Westpac Young Technologists Scholarship

Awarded to students who have a passion for technology, an interest in enhancing Australia's future technology landscape, and a focus on personal growth and development.

Euan Christopher

Andy Heins

Claire Kitching

Thomas Moore

Matthew Nuske

Amelie Sedmak

Wollongong City Council Work Integrated Learning Scholarship

Awarded to a third year student researching the thesis topic "Visualising the optimisation of parks and sporting fields maintenance to enhance customer engagement" and seeks to provide them with financial assistance as well as real world practical experience.

Alexander Mckenzie-Hicks

Yancoal Mining Engineering Scholarship

Awarded to a second or third year Bachelor of Engineering student who demonstrates a passion for Mining Engineering, providing students work placement and an opportunity to join their graduate program.
