CRICOS Code:

Wollongong

COMPULSORY SUBJECTS – COURSE
It is highly recommended that students contact the Academic Program Director for advice about choice of subjects. More detail about each subject can be found in the Handbook
https://courses.uow.edu.au/search

Students must enrol in the following subjects:

Autumn Session (1)		**Spring Session (2)**	
MTH8201	Multivariate and Vector Calculus	MTH8207	Statistical Inference and Introduction to Model Building
MTH8206	Random Variables and Estimation	MTH8202	Differential Equations: Analysis and Applications
STAT832	Generalised Linear Models (Enhanced)	STAT804	Applied Probability and Financial Risk (Enhanced)
MATH817	Financial Mathematics (Enhanced)		

Trimester 1, Trimester 2, Trimester 3	
FIN921	Managerial Finance

Students with credit transfer subjects on their offer must consult an Academic Adviser for a program of study.

Students who have completed an appropriate combination of subjects in an approved mathematics or statistics major may be exempt from one or more of these subjects. Please apply to the Academic Program Director.

NEED HELP?

If you have any questions about your enrolment or studying at UOW, please enquire here or call our team on 1300 367 869. You can also refer to our enrolment FAQs page for self-help options.

Academic advice should be sought prior to enrolment as the availability of subjects may vary each year.

Academic Program Director:
Pauline Ding
