

PRINT CARTRIDGE RECYCLING

WHAT CAN GO IN THIS PRINT CARTRIDGE RECYCLING BIN?

Print cartridges and toner bottles from Brother, Canon, HP, Epson and Kyocera are able to be recycled via this collection box.

THE COLLECTION BOX IS FULL, WHAT DO I DO?

1. Remove the bin liner and secure it with the tie provided. Note that bags returned for recycling have a maximum weight limit of 15kg.
2. Replace the liner so the bin is ready to use again. There should be spare liners and ties in the bottom of the bin.
3. Replace the bin liner so that the bin is ready to be used again.
4. Place the full bag to go out with your mail.
5. To order replacement liner bags contact Close the loop on 1800 24 24 73 and use the contact ID that is on the liner bags and the post code.
6. Contact the Facilities Manager or Campus Manager if you have any questions or concerns.

! Under no circumstances should an external company/contractor be coming to empty the collection bins. If this situation arises please contact UOW Security on 42214555.
