Campus Tree Walk

Wollongong campus is located at the base of Djeera (Mount Keira). You're invited to look, listen, and learn alongside the native plants, birds and animals to show your respect for Country.

Country is living and breathing, encompassing the land, sky, waterways, plants, animals, and people—all interconnected through spirit, culture, and knowledge.

For countless generations, local Aboriginal people have cared for and continue to connect with Country. All plants hold Aboriginal cultural significance in helping to create tools, medicine, food, ceremony and knowledge.

UOW is now home to a rich variety of native trees and shrubs after planting over 50,000 native plants since the 1970s, regenerating what was previously cleared farmland.

To begin your journey learning about the trees and animals please enjoy the Campus Tree Walk.

UNIVERSITY OF WOLLONGONG AUSTRALIA

Tree List

Bangalow Palm
Archontophoenix cunninghamiana (Arecaceae)

Blackbutt
Eucalyptus pilularis (Myrtaceae)

Black Plum
Diospyros australis (Ebenaceae)

Blue Box
Eucalyptus baueriana (Myrtaceae)

Blueberry Ash
Elaeocarpus reticulatus (Elaeocarpaceae)

Bolwarra
Eupomatia laurina (Eupomatiaceae)

Bonewood
Emmenosperma alphitonioides (Rhamnaceae)

Broad-leaved Paperbark
Melaleuca quinquenervia (Myrtaceae)

Brush Cherry
Syzygium australe (Myrtaceae)

Brush Muttonwood
Myrsine howittiana (Primulaceae)

Cabbage Gum
Eucalyptus amplifolia (Myrtaceae)

Cabbage Tree Palm
Livistona australis (Arecaceae)

Celery Wood
Polyscias elegans (Araliaceae)

Cheese Tree
Glochidion ferdinandi (Phyllanthaceae)

Coachwood
Ceratopetalum apetalum (Cunoniaceae)

Coast Grey Box
Eucalyptus bosistoana (Myrtaceae)

Flooded Gum
Eucalyptus grandis (Myrtaceae)

Forest Oak
Allocasuarina torulosa (Casuarinaceae)

Forest Red Gum
Eucalyptus tereticornis (Myrtaceae)

Grey Ironbark
Eucalyptus paniculata (Myrtaceae)

Guioa
Guioa semiglauca (Sapindaceae)

Illawarra Flame Tree
Brachychiton acerifolius (Malvaceae)

Illawarra Plum Pine
Podocarpus elatus (Podocarpaceae)

Jackwood
Cryptocarya glaucescens (Lauraceae)

Large-leaved Mock-olive
Notelaea venosa (Oleaceae)

Lilly Pilly
Syzygium smithii (Myrtaceae)

Morton Bay Fig
Ficus macrophylla (Moraceae)

Native Holly
Alchornea ilicifolia (Euphorbiaceae)

Native Quince
Alectryon subcinereus (Sapindaceae)

Native Rosella
Hibiscus heterophyllus (Malvaceae)

Native Tamarind
Diploglottis australis (Sapindaceae)

Pencil Cedar
Polyscias murrayi (Araliaceae)

Port Jackson Fig
Ficus rubiginosa (Moraceae)

Prickly-leaved Tea Tree
Melaleuca styphelioides (Myrtaceae)

Red Cedar
Toona ciliata (Meliaceae)

River Oak
Casuarina cunninghamiana (Casuarinaceae)

Rough-barked Apple
Angophora floribunda (Myrtaceae)

Sandpaper Fig
Ficus coronata (Moraceae)

Snow in Summer
Melaleuca linariifolia (Myrtaceae)

Snow Wood
Pararchidendron pruinosum (Fabaceae)

Spotted Gum
Corymbia maculata (Myrtaceae)

Swamp Mahogany
Eucalyptus robusta (Myrtaceae)

Swamp Oak
Casuarina glauca (Casuarinaceae)

Sydney Red Gum
Angophora costata (Myrtaceae)

Turpentine
Syncarpia glomulifera (Myrtaceae)

Whalebone Tree
Streblus brunonianus (Moraceae)

White Beech
Gmelina leichhardtii (Lamiaceae)

White Cedar
Melia azedarach (Meliaceae)

White Euodia
Melicope micrococca (Rutaceae)

Woollybutt
Eucalyptus longifolia (Myrtaceae)
