

Unpaid Work Engagement Form

Faculties/Divisions must ensure that any unpaid work arrangements such as volunteering, vocational placements/internships or work experience do not give rise to an employment relationship and therefore entitle the individual to payment for work undertaken. Please contact your [HR Advisor / HR Business Partner](#) if you have questions about unpaid work arrangements.

This form is to be completed for **unpaid** work arrangements, which may include **volunteering, vocational placements/internships or work experience**.

This form must be completed and provided to the relevant Faculty/Division before the unpaid worker commences. The relevant Faculty/Division must register the details of the engagement and retain a copy of this form.

Faculties/Divisions may be required to produce a copy of the register or forms for the purpose of insurance claims, workplace, health and safety, working with children clearances, visa, residency and work entitlement verifications and compliance with relevant University policies and workplace legislation.

Further information on volunteer insurance and how to make a claim is available via the Financial Services Division intranet page <http://www.uow.edu.au/services/finance/volunteer/index.html>

Insurance must be provided to students on vocational placements / internships and work experience by the institution delivering the course.
