

Changchun University

Students granted the maximum credit transfer will be exempt from the following UOW Units:

Institution subject code	Institution subject name	UOW subject code	UOW subject name	Credit points awarded
04031400 + 08040009	Fundamentals of Computers + Numerical Method	ENGG100	Engineering Computing & Analysis	6
01060004	Engineering Training	ENGG103	Materials in Design	6
08050009	University Physics	ENGG102	Fundamentals of Engineering Mechanics	6
08060011	University Physics Experiment	PHYS143	Physics for Engineers	6
08040024	Linear Algebra A	MATH141	Foundations of Engineering Mathematics	6
08040020	Advanced Mathematics A	MATH142	Essentials of Engineering Mathematics	6
02020125	Introduction to Power and Electronic Information	ENGG104	Electrical Systems	6
02010101	Electric Circuit Theory	ECTE202	Circuits and Systems	6
04031402	Programming Design	CSCI291	Programming for Engineers	6
02010103	Electronic Technology	ECTE212	Electronics	6
02010104	Electronic Technology Experiments	ECTE233	Digital Hardware	6
08040006 + 08040008	Probability theory and Mathematical Statistics + Complex Functions and Integral Transform	MATH283	Advanced Engineering Mathematics and Statistics	6
02011017	Signal and Systems	ECTE203	Signals and systems	6
02010110	Electromagnetic Field and Electromagnetic Wave	ECTE213	Engineering Electromagnetics	6
02011163	Electronic Technology Training	ECTE250	Engineering Design and Management 2	6
02011009	Automatic Control Theory	ECTE344	Control Theory	6
			Total Specified Credit	96
			Maximum eligible credit points of credit transfer	96
