

Student card photo requirements

When you enrol online, you'll be asked to upload a photo for your student ID card.

Make sure your photo meets the requirements below, to avoid it having to be retaken later on.

PHOTO REQUIREMENTS

- 190 pixels wide x 253 pixels high in size, high resolution colour image. Maximum file size is 2MB.
- Photo must have been taken in the last 6 months
- Good lighting with no shadows, with a neutral backdrop
- No filters or enhancements
- Face directly to camera, from the shoulders upwards, with your eyes open and a neutral expression.
- Your face should be unobstructed, with no shadows, clothing, hair or sunglasses in the way (religious headwear and prescription glasses with clear lenses permitted).

Face unobstructed, natural expression

No shadows on face, no glare on glasses

Unnatural expression, tilted head and filter applied

Too far away, hat and shadows obscuring face
