## COMPULSORY SUBJECTS - COURSE

All Bachelor of Information Technology majors have a common first year. Students must enrol in the following subjects:

Spring Session		Autumn Session	
CSIT111	Programming Fundamentals	CSIT113	Problem Solving
CSIT127	Networks and Communications	CSIT114	System Analysis
CSIT128	Introduction to Web Technology	CSIT115	Data Management & Security
CSIT226	Human Computer Interaction	#Elective	

## NOTES

Students with credit transfer subjects on their offer should consult an Academic Adviser for a program of study.

The elective may be chosen from the General Schedule.

(#) Students who follow a major should check the pre-requisites of subjects that are associated with the major in order to select a suitable elective subject in the first year.
