NOTES

It is recommended that students consult an Academic Adviser about their choice of subjects. Please consult the online [Handbook](#) (available from the UOW "Current Students" webpage) for the most up-to-date information regarding subjects on offer, and for subsequent year programs.

¹ MATH187 has a pre-requisite of HSC Mathematics Band 4 (not General Mathematics). Please consult a Maths adviser if you do not meet this requirement.

³ Students who have **not** completed HSC Chemistry (or equivalent) with a mark of 65% or more should enrol in CHEM104 and CHEM105 instead of CHEM101 and CHEM102. These students should also complete CHEM106 Foundation Chemistry: Properties and Reactivity of Matter Summer session so that they have the necessary pre-requisites for second year Chemistry subjects.
