CHEM101	Chemistry IA: Introductory Physical and General Chemistry	EESC102	Earth's Interconnected Spheres
EESC101	Planet Earth		

NOTES
In addition to qualifying for Physics as a first teaching area, students may choose to qualify for a second teaching area in Chemistry, Biology or Earth and Environmental Science by choosing different elective options.

- For Chemistry as a second teaching area, students need to complete two CHEM subjects.
- For Biology as a second teaching area, students need to complete two BIOL subjects.
- For Earth and Environmental Science as a second teaching area, students need to complete one BIOL subject and one EESC subject.

Please note that in order to qualify for a second teaching area, students may need to exceed the minimum degree requirement of 192cp, with no more than 60cp of 100 level subjects counting towards the degree

Please select your subjects for both Autumn AND Spring. A normal full time enrolment that ensures course completion in four years is four subjects (24 credit points) in each session.
