

# Two Master's in Two Years

SYDNEY  
BUSINESS  
SCHOOL

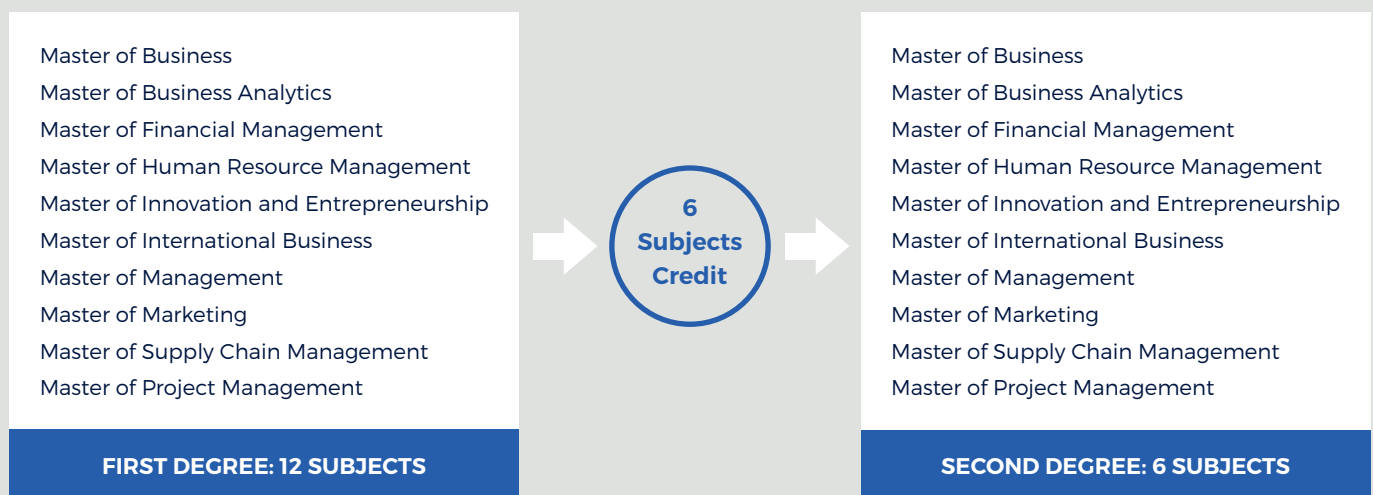

UNIVERSITY  
OF WOLLONGONG

## A TAILORED PROGRAM BASED ON YOUR CAREER GOALS

At Sydney Business School, University of Wollongong (UOW), you will have the opportunity to complete 2 business master's degrees in less time than it would take to complete them separately, and for less cost. Maximise your career opportunities by mastering two areas of business and graduate with a competitive edge.

## COURSE OPTIONS

Choose your first master's degree from the listing below and receive 6 subjects credit into your second master's. Taking the total duration for both degrees to 2 years. If you hold a bachelor's degree in a Business or Commerce related area, you may be granted credit to further shorten the duration and complete 2 master's in under 2 years.

\*If you wish to study the Master of Supply Chain Management, this must be the first master's degree studied.

## ENTRY REQUIREMENTS

This packaged program is open to all domestic and international students wishing to study at Sydney Business School, UOW. You will need to meet the entry requirements for both master's degrees to gain entry. To view these requirements, visit [coursefinder.uow.edu.au/business](https://coursefinder.uow.edu.au/business)

## HOW TO APPLY

*Studying two areas of business added a great value to my academic career. There are not many people with this type of degree combination and it really helped in gaining jobs in two big companies – Bluescope Steel (largest steel manufacturer in Australia) and Sherwin Williams (largest paint manufacturer in USA).*
