

CHILD/YOUNG PERSON REFERRAL FORM
FOR HEALTH PROFESSIONALS
(CONFIDENTIAL)

Northfields Clinic is run by the School of Psychology at the University of Wollongong and includes a specialist service for dealing with behavioural, emotional, attentional, and learning disorders of children and young people. Therapy and assessment services are carried out by post-graduate students under the supervision of University clinical staff. Parents/carers and other agencies are involved as appropriate to the nature of the presenting problems and service being provided.
