

IMIA Operator Algebra Seminar
University of Wollongong

Title: Primitive ideals in Higher rank graph algebras

Speaker: David Pask (University of Wollongong)

Time and Dates: 3:30pm, Thursday, 15 December 2011

Location: Room 15.113 (Access Grid Room)

Abstract: In this presentation I shall discuss joint work with Sooran Kang on the primitive ideals of certain higher rank graph algebras.
