

**IMIA Operator Algebra Seminar**  
University of Wollongong

Title: Labeled graphs and their  $C^*$ -algebras

Speaker: David Pask (University of Wollongong)

Time and Dates: 3.30pm Thursday, 12 January 2012

Location: Room 15.113 (Access Grid Room)

Abstract: I will outline the definition of the  $C^*$ -algebra associated to a labeled graph and give a few of its properties.
