

IMIA Operator Algebra Seminar
University of Wollongong

Title: Shift spaces and 2-graphs of algebraic origin

Speaker: David Pask (University of Wollongong)

Time and Dates: 3:30pm Thursday, 1 March 2012

Location: Room 19.1001

Abstract: After giving some background I shall present the construction of a 2-graph from algebraic data which was done in joint work with Natasha Weaver and Iain Raeburn.
