

IMIA Operator Algebra Seminar
University of Wollongong

Title: Geometry of Dirac operators

Speaker: Adam Rennie (University of Wollongong) and Andrzej Sitarz (Jagiellonian University, Poland)

Time and Dates: 3:30pm Thursday, 22 and 29 November 2012

Location: Room 15.113 (Access Grid Room)

Abstract: We outline the basics of Dirac operators on some simple spaces like \mathbb{R}^n and \mathbb{T}^n .
