# PhD scholarship available

20 March 2018

A PhD scholarship is available in the School of Mathematics and Applied Statistics (SMAS) at the University of Wollongong in the areas of statistical/machine learning and spatio-temporal modelling. The UOW scholarship is AUD\$26,300 per year for three years full-time. An additional top-up scholarship of AUD\$3,700 per year for three years full-time is also available for outstanding candidates. Tuition fees for international students (for up to 4.5 years) will be waived. The successful applicant will have the opportunity to work with both Australian and international collaborators, and extra funding is available for conference travel.

For more information on the scholarship or the project please send an e-mail to Andrew Zammit Mangion:  
[azm@uow.edu.au](mailto:azm@uow.edu.au)

Applications are also via e-mail to [azm@uow.edu.au](mailto:azm@uow.edu.au). When applying please include a cover letter, a copy of your CV detailing your previous education experience, academic transcripts, and one reference. It is expected that the successful applicant will be available to commence this scholarship by 31 October 2018.

Applications close 01 May 2018.
