

Noel Cressie awarded Georges Matheron Lectureship 2017

12 September 2017

Professor Noel Cressie was awarded the Georges Matheron Lectureship 2017. He gave a talk titled "A conditional approach to multivariate geostatistics" at the annual meeting of the International Association for Mathematical Geosciences in Perth, Australia.

The Georges Matheron Lecture is presented annually by a scientist who is selected by the IAMG Lectures Committee for their proven research ability in the field of spatial statistics or mathematical morphology.
