A legal degree from UOW is much more than learning about ‘law’ and legal ‘rules’. Whatever profession you choose, you’ll have a sound understanding of our legal system and its social and international context, as well as the ability to resolve ethical and complex legal issues.

**REAL-WORLD EXPERIENCE**
As a UOW Law student, you will be required to do a 20 day internship as part of your studies, so you can apply your legal knowledge to real-life situations. UOW is the only university in NSW to provide this experience.

You will also benefit from the expertise of our Judge in Residence, the Hon Terry Buddin SC, former Justice of the Supreme Court of NSW.

**TAILOR YOUR DEGREE**
At UOW, you have the flexibility to choose from a range of electives as well as a number of double degree options, so you can tailor your study experience to your career goals. You’ll be recognised for admission as a lawyer in Australia, subject to completing state-approved Practical Legal Training.

**WELL SUPPORTED**
We provide interactive seminars in small groups, facilitated by experienced and distinguished academics and legal practitioners. UOW Law’s first-year curriculum and support program experience will give you the best chance at success.

“I chose UOW because of the flexibility of the law degree and the range of double degrees. I also liked its emphasis on practical experience, particularly the compulsory internship. Being able to work in my desired field prior to graduating has enabled me to better understand the realities of a law firm and put the skills I’ve learnt at uni into practice.”
