CALL FOR PARTICIPANTS: PERSONALITY IN THE ICD-11 FRAMEWORK

We are looking for clinicians in training or in practice to take part in a study investigating personality using the new ICD-11 framework.

As a participant in this study, you would be asked to take part in an online survey which will involve answering questions about your demographics, reading two clinical case vignettes of hypothetical patients and your formulation based on the personality features presented in the vignettes. The study takes approximately 20 - 30 minutes to complete.

Participants have the opportunity to win a £50 Amazon voucher for taking part in this research.
