

GRADUATE RESEARCH SCHOOL

SCHOLARSHIP EXTENSION APPLICATION

The scholarship extension application process is being provided to assist currently enrolled Higher Degree Research (HDR) Candidates who have maintained satisfactory progress prior to the COVID-19 pandemic but whose candidature has been significantly disrupted and progress delayed due to the Covid-19 restrictions.

In their application HDR candidates should outline how the COVID-19 pandemic has impacted their research program. Research impact will be assessed and considered on a case by case basis, examples include, travel restrictions, fieldwork and lab closures, campus closure, inability to undertake interviews, and limited access to resources such as specialised computing software. The GRS also recognises that a HDR candidate’s personal situation, including physical and mental health, separation from family, additional carer’s responsibilities, home schooling, lack of employment and unsuitable housing etc. may have also impacted on the progress of their research and this information will be taken into consideration.

This form is to be completed to apply for a maximum **six (6) months** scholarship extension for an:

- **Australian Government Research Training Program (AGRTP)** scholarship,
- **University Postgraduate Award (UPA), or**
- **Other type of scholarship issued by UOW**

Please ensure that the form is signed by your Supervisor and submit it to the Graduate Research School using [Qualtrics](#).

HIGHER DEGREE RESEARCH CANDIDATE DETAILS
