

GSM Policy on making up missed clinical experience

Clinical experience is an essential component of the MBBS and 100% attendance is **required** and **expected** in all clinical placements.

This rule refers only for missed time with **APPROVED STUDENT ACADEMIC CONSIDERATION**.

Any other approved missed time based on Exceptional Circumstances, **MUST** be made up. All "make up" time **MUST** be completed before the end of the relevant Phase/ Subject and done in consultation with the written approval of the appropriate nominated person.

Phase 1 (MEDI601)

GP Placements/ Hospital placements

- Students will be required to make up any time/days that are missed with approved Student Academic Consideration.

Interdisciplinary Clinical Experience (ICE)

- Students will be required to make up any time/days if they miss 2 or more days with approved Student Academic Consideration.

(Refer to GSM policy on Student Academic Consideration and Student Absence in Phase 1)

Phase 2 (MEDI602)

Students will be required to make up days/ hours should they miss more than 5% of any rotation with approved Student Academic Consideration. (5% = 1 day/ ie.7 hours).

Students will be required to make up days should their combined absence at ALL rotations be greater than 5% of the total Phase 2 clinical placement requirements. (With approved Academic Consideration, 5% = 5 days for the entire Phase 2).

(Refer to GSM policy on Student Academic Consideration and Student Absence in Phase 2)

Phase 3 (MEDI603)

Students will be required to make up days should they miss more than 5% of Phase 3. (With approved Student Academic Consideration, 5% = 10 days).

(Refer to GSM policy on Student Academic Consideration and Student Absence in Phase 3)

Phase 4 (MEDI604)

PRINT:

- Students will be required to make up days should they miss more than 5% of the PRINT rotation with approved Student Academic Consideration. (5% = 1 day).

Elective:

- Students will be required to make up days should they miss more than 5% of the ELECTIVE rotation with approved Student Academic Consideration. (5% = 1 day)

Selective:

- Students will be required to make up days should they miss more than 5% of the SELECTIVE rotation with approved Student Academic Consideration. (5% = 1 day).

(Due to the nature of Electives and Selectives, it may be impossible to make up the time in the setting. Should this situation apply, then contact the Sub Dean who may organise your time to be made up in another setting).

(Refer to GSM policy on Student Academic Consideration and Student Absence in Phase 4)
