

2015 School of Earth & Environmental Science Prize Winners (Presented August 2016)

Prize Title	Prize Criteria	Student number	Name
<i>Blue = Multiple winner</i>			
Illawarra Prize in First Year Geography	Candidate in a Bachelor degree who achieved the highest WAM in EESC103 and EESC104	4260624	Jillian Armstrong
Illawarra Prize in Second Year Geography	Awarded to the candidate in a Bachelor degree who achieved the highest WAM for 24 credit points of 200-level EESC subjects including EESC204 and 12 credit points of EESC202, EESC203, EESC205 or EESC210	4761911	Sally Carney
Illawarra Prize in Second Year Geography	Awarded to the candidate in a Bachelor degree who achieved the highest WAM for 24 credit points of 200-level EESC subjects including EESC204 and 12 credit points of EESC202, EESC203, EESC205 or EESC210	2795413	Matthew Williams
Illawarra Prize in Third Year Physical Geography	Candidate in a Bachelor degree with major in Physical Geography who achieved the highest WAM for 32 credit points of 300-level EESC subjects including EESC302 and EESC303	4275147	Shannon Schofield
Illawarra Prize in Honours Fourth Year Earth & Environmental Sciences	Candidate who achieved first-class honours in Earth & Environmental Sciences	4063065	Nicholas van Lijf
Toni O'Neill Prize	Candidate in a Bachelor degree or PhD with the most successful SEES project completed for research that reflects Toni O'Neill's strengths and interests in the spatial sciences.	4275147	Shannon Schofield

Geoimage Prize in Remote Sensing	Prize open to all students enrolled in EESC305. Awarded to student who achieves highest mark in EESC305	4491610	Sarah Blumberg
Geoimage Prize in Remote Sensing	Prize open to all students enrolled in EESC305. Awarded to student who achieves highest mark in EESC305	4058070	Davy Conacher
Evan Phillips Prize in Geology	Candidate in a Bachelor degree who achieved the highest WAM in practical work in two subjects from one of the following groups: (EESC201 and EESC216) or EESC301, EESC306, EESC310)	4057557	Lauren Langlois
Australasian Institute of Mining and Metallurgy (Illawarra Branch) Geology Prize	Candidate enrolled in a Bachelor degree and EESC201 who achieved the highest WAM in EESC101 and EESC102.	4760591	Nick Fitzpatrick
Australasian Institute of Mining and Metallurgy (Illawarra Branch) Geology Prize	Candidate enrolled in a Bachelor degree and EESC201 who achieved the highest WAM in EESC101 and EESC102.	3790563	Christopher Wright (Shared Prize)
Prospectors Earth Sciences Estwing Prize in Earth Sciences	Candidate enrolled in a Bachelor degree and EESC201 who achieved the highest WAM in practical work in EESC101 and EESC102	4760591	Nick Fitzpatrick
Prospectors Earth Sciences Suunto Prize in Earth & Environmental Sciences	Candidate for degree of BEnvSc who achieved the highest WAM for ENVI491 plus 16 credit points of 300-level EESC subjects.	4258101	Amanda-Ashley Boskovski

PIMS Award	Candidate who has completed at least 12 credit points of the following EESC subjects: 101, 102, 201, 202, 250, 301, 306, 310 in the previous year who has achieved the greatest commitment to their studies by demonstrating enthusiasm and competence in lectures, practical classes and field tutorials	4057557	Lauren Langlois
Ian R. McDonald Prize in Geology	Candidate in a Bachelor degree who achieved the highest mark in EESC250	2795413	Matthew Williams
Geological Society of Australia (NSW Division) Prize in Geology	Candidate for the Honours degree of BSc in geology to candidate who achieved the highest WAM in EESC301, EESC306 and EESC310	4078640	Gavin Parkinson
A.J. & I. Waters Prize in Geology	Candidate for the Honours degree of BSc in geology who achieved the highest WAM for 32 credit points of 300-level EESC subjects including EESC301, EESC306 and EESC310	4078640	Gavin Parkinson
Merit Prize in Geology	Candidate who has not been awarded another Prize for performance in EESC subjects in the same year, and who achieves the highest WAM for two of the following EESC subjects completed in the previous year: 101, 102, 201, 216, 250, 301, 306, or 310.	4502632	Ruby Stovin-Bradford
Howard Worner Ore Deposits Prize	Candidate in BSc or BEnvSc who achieved the highest mark in EESC306	4496668	Christopher Doran
Howard Worner Prize in Environmental Science	Best graduate in the Bachelor of Environmental Science program	4603217	Jacob Vickers

Geoscience Australia Jubilee Prize	Candidate in a Bachelor degree who achieved the highest WAM for 30 credit points of 200-level EESC subjects, including EESC204, plus 12 credit points from two of each of the following groups of subjects: (EESC202, EESC203), (EESC205, EESC210), or (EESC201, EESC216, EESC250)	4761911	Sally Carney
Alan Cook Prize in Geology	Candidate in a Bachelor degree who achieved the highest WAM in EESC201, EESC204, EESC216 and EESC250	4761911	Sally Carney
ESRI Australia Prize for Introductory Spatial Science	Candidate in a Bachelor degree who achieved the highest mark in in EESC204	4275147	Shannon Schofield
ESRI Australia Prize for Geographic Information Science	Candidate in a Bachelor degree who achieved the highest mark in EESC304	4258101	Amanda-Ashley Boskovski
David Price Prize for advances and application in luminescence dating	Students undertaking honours or postgraduate degrees involving luminescence. Attaining highest mark or most valuable contribution to the field as selected by CAS staff member.	4282243	Yujie Guo
