Faculty of Science, Medicine and Health

School of Chemistry and Molecular Bioscience
- Analytical Chemistry
- Biological Chemistry
- Chemistry
- Environmental and Atmospheric Inorganic Chemistry
- Macromolecular and Materials Chemistry
- Medicinal Chemistry
- Organic Chemistry
- Physical Chemistry
- Immunology
- Microbiology

School of Earth, Atmospheric and Life Sciences
- Animal and Plant Physiology
- Archaeological Science
- Conservation Biology
- Ecology
- Environmental Science
- Evolution and Behaviour
- Geology
- Physical Geography

School of Medicine
- Graduate Medicine
- Indigenous Health
- Medical and Exercise Sciences
- Nutrition and Dietetics

School of Nursing
- Dementia Care
- Gerontology
- Health Leadership and Management
- Mental Health Nursing
- Primary Health Care

UOW Research Strengths
- Centre for Archaeological Science (CAS)
- Centre for Medical and Molecular Bioscience (CMMB)
- GeoQuEST Research Centre

Faculty Research Clusters
- Centre for Atmospheric Chemistry
- Centre for Sustainable Ecosystem solutions (CSES)
- Health Impacts Research Cluster (HIRC)
