

Masters of Clinical Exercise Physiology Supplementary Form

Introduction

Selection into the Postgraduate Masters of Clinical Exercise Physiology is based on a number of selection criteria. Please provide evidence of meeting these criteria by completing each section of this form. You must also complete the standard university application form and forward the form and all the supplementary material and information to UOW Future Students (futurestudents@uow.edu.au) **before 30th September**.

For entry into the Masters of Clinical Exercise Physiology you must have successfully completed an Exercise & Sports Science Australia (ESSA) accredited undergraduate degree in Exercise Science, have current Exercise Science accreditation with ESSA or be granted Graduate Entry status by ESSA.

Declaration

I declare that the information submitted on all pages is correct and complete. I understand that the University reserves the right to vary or reverse any decision made on the basis of incorrect or incomplete information. I hereby authorise the University to obtain records from any educational authority or institution previously attended by me.

I understand and accept the terms and conditions of the University's Privacy Consent and Disclosure Statement at the following website: <http://www.uow.edu.au/about/privacy>

SIGNATURE OF APPLICANT:

DATE:

Please note all applicants are expected to have acquired 140 hours of placement experience with apparently healthy populations (Exercise Science domain), prior to entry into the Masters and be eligible for Exercise Scientist membership. Please see the Exercise and Sport Science Australia website (www.essa.org.au)

3. SUPPORTING LETTER FOR YOUR APPLICATION

Write a short essay of 500 words on why you believe you would make a good Exercise Physiologist. Briefly indicate your reasons for wanting to study specifically at the University of Wollongong. In this letter, you should also indicate any work (full-time, part-time or voluntary work) in the area of exercise science that you have undertaken. Please note that this work should not include any practical placement experiences that you have obtained as a part of completing your undergraduate degree. The criteria for assessing this essay are:

- Written expression
- Ability to develop an argument
- Demonstration of creative thought
- Clinical relevance and focus
- Essay content & technical writing skill

4. EMPLOYMENT HISTORY

Please provide your Resume'/CV with your work history, with particular emphasis on career relevant experience (Exercise Science)

5. LIST ANY OTHER GRADUATE QUALIFICATIONS

(i.e. Cert 3, Cert 4, Diploma of Fitness, Strength & Conditioning, Coaching, Massage, other degrees, etc.). Please provide official/certified copies of all qualifications you list.

Year of Study/Graduation	Institution	Award

6. REFERENCES TO SUPPORT YOUR APPLICATION

Provide 3 references; personal, professional and academic. Ideally we would expect you to include one academic reference from an Academic staff member, one professional reference to comment on you professionally (this may be full-time, part-time or voluntary employment) and one personal reference to comment on your character (i.e. pastor, coach, youth leader, etc.). Please include these references with your postgraduate application form. **Please note that graduates of Exercise Science from the University of Wollongong are NOT required to provide an academic reference.**

PROFORMA FOR ACADEMIC REFERENCES

Applicants for the course may choose to distribute these forms to academic referees. Persons completing the forms are asked to send the completed form DIRECTLY to the Postgraduate Program Director for the Masters of Clinical Exercise Physiology by 30th September.

Please email completed forms to Marc Brown (mbrown@uow.edu.au)
