**OR**

Email to > [isprn-enquiries@uow.edu.au](mailto:isprn-enquiries@uow.edu.au)

### PRESENTATION FORMAT

As presentations will be screening from a computer via a projector, presentations with a large file sizes or photographs should have the photos compressed to 96dpi for screen/web. This will decrease the file size without affecting the image quality.

**Please check that your presentation does not rely upon networked data or content.**

There will be guest Wi-fi available on the day and details will be given at the registration and be visible in every conference room via posters.

### SPEAKER PREPARATION

If you need to set up for your presentation, please go to the allocated room in the break before the session starts. This will ensure the presentation can be opened and is in working order. There will be a chairperson present at each session to assist you.

### TIMING OF YOUR PRESENTATIONS

Please note that all chairpersons will be timekeeping and will notify you via a card prior to the 2min conclusion and again at the 1min conclusion.

Presentations should be timed as follows.

- 15min presentations consist of 10 min of presentation and 5 min of discussion and Q&A
- 25min presentations consist of 20 min presentation and 5 min of discussion and Q&A
- 90min workshops should allow for discussion and Q&A throughout

## WHAT TO BRING

If you wish to provide handouts to conference participants, please ensure you bring these with you on the day as there is no photocopying available at the venue.
