Student Search

Enter criteria in the Student Search section, click Student Search to return the results

Clear

Click to clear report criteria entered, ready to perform a new search

Criteria for Student Search

Users can choose to Include or exclude a selection from the search

Course Code

Users can choose to produce a list of students in a particular course code

Course Status

Users can choose to produce a list of students with a particular course status, for example, only students with a course status of Active.

The following course statuses are considered to be active:

Active
Leave of Absence
Pending
Probation
Referral

As you can only choose to perform the search for one course status at a time, the search would need to be performed a number of times, OR choose to Exclude the Course Status of Complete.

If you select to run the search for 'All' Course statuses, it will also include students whose course is 'Complete'

Specialisation Code

Users can choose to run the search using a specific Major/Specialisation code

Funding Unit

Search for Research students who have a certain funding unit

Supervisor

Search for Research students who have a certain supervisor

Student Number

SOLSMail

Use the checkboxes that appear to the left of the Std Nbr to select students to send a SOLSMail message to.

Student Search results Table Headings

Row Number

Use the numbers that appear to the left of the checkboxes to hide/show rows

For example, if you click on row 25, rows 1-24 will be hidden, so you can view row 25 and onwards and still see the headings of the table.

Checkbox

Used to select students on the Class Roll

For example if you only want to send SOLSMail messages to certain students in the class.

Std Nbr

Displays the Student number

Family Names

Display student information (including Personal Details and full Enrolment Record) by clicking on Family Name (which is a link).

Initials (expand to view first and middle name)

The default display is the students initials. Click on  to expand the field to display first and middle names. Once you do this, first and middle names will become the default on your computer when you login

If a name appears in brackets for a student (XXXXXX) this is the student's preferred name.

Course

Displays all the course codes that appear on the student's enrolment record

Email

Email – Click on the email link if you wish to send an email (as opposed to a SOLSMail message)

Email messages are delivered to the student's UOW email account.

SOLSMail messages appear when the student logs into SOLS, they have to click that they have read the message before they will be taken to the main SOLS Menu. There is a record kept of SOLSMail messages delivered.

Major

The default display is the major code. Click on  to expand the field to display full major name. Once you do this, the full major name will become the default on your computer when you login

Displays all the majors that appear under the various course codes on the student's enrolment record

Criteria for Subject Search

Ensure the correct year has been selected. All other fields are optional, for example, you can perform a search for all ACCY subjects without entering any other criteria other than ACCY* in the subject field.
