2 Principles

1. Students are responsible for their own attendance.
2. UOW College Australia expects students to attend all scheduled classes.
3. Where attendance is not possible on medical or other compassionate and compelling grounds, students are responsible for applying for academic consideration wherever required.

3 Attendance Monitoring and Requirements

1. Unless otherwise stipulated in a Subject Outline, a minimum attendance of 80% of all scheduled classes is required.
2. UOW College monitors attendance in English Language, Pathway and Higher Education Programs for the purpose of:
 - a. Ensuring student welfare;
 - b. Complying with legislative requirements; and
 - c. Identifying students requiring personal support.
3. UOW College will contact, and endeavour to provide appropriate support to any student who fails to meet minimum attendance requirements or has an extended period/s of absence.
4. For students enrolled in Academic Programs, if attendance is below the 80% minimum attendance requirement or threshold specified in a Subject Outline at the end of an

academic session for any subject, a student may be awarded a technical fail for their performance in that subject, irrespective of their total final mark for that subject.

4 Calculating Attendance

1. Student attendance is recorded for each hour of class. Should a student miss a portion of an hour of class the following attendance records will be retained:

Absent for:	Attendance Recorded:
0 - 15 minutes of an hour of scheduled class time	1 hour
16 - 45 minutes of an hour of scheduled class time	0.5 hour
46 - 60 minutes of an hour of scheduled class time	0 hours

 - a. Monitored each cycle;
 - b. Calculated for the duration of the Confirmation of Enrolment (CoE);
 - c. Calculated from the first day of the student's scheduled classes; and
 - d. Based on actual time in class.
3. For students enrolled in Higher Education or Pathway Programs, attendance will be:
 - a. Monitored and calculated each session;
 - b. Calculated from the first day of the student's scheduled classes; and
 - c. Based on actual time in class.
4. If a student applies and is approved for late arrival, attendance will be calculated from their actual commencement date.

5 International Students - Visa Attendance Requirements

1. International Students studying on a student visa are required to comply with the attendance requirements of that visa.
2. In accordance with the National Code 2018, UOW College Australia is required to report international students who fail to attend at least 80% of scheduled class time. Where UOW College Australia identifies a student as failing to meet this requirement, the College will notify the student of their intention to report their attendance to the Department of Home Affairs.
3. UOW College Australia, in its sole and absolute discretion, may not report a student enrolled on a student visa who has breached their visa's attendance requirement where:
 - a. The student has a minimum of 70% attendance, and
 - b. The student can provide documentary evidence (such as medical certificates) outlining compassionate and compelling circumstances to explain the periods of absence.
4. Where an international student's attendance is less than 70%, UOW College Australia must proceed to report a student to the Department of Home Affairs for breaching student visa attendance requirements.

6 International Students - Right to Appeal Intention to Report

1. Students who are notified of UOW College Australia's intention to report them to the Department of Home Affairs are entitled to internally appeal the decision in accordance with the *Student Grievance Policy*.
2. Where the student's appeal has been unsuccessful, UOW College Australia will:
 - a. Advise the student of their right to appeal the decision to an external body within 10 working days; and
 - b. Not report the student during this timeframe.
