

UOW Tottenham Hotspur Global Football Program

UNIVERSITY
OF WOLLONGONG
AUSTRALIA

COMMENCING FEBRUARY 2020

Improve your game with an English Premier League club while studying at one of Australia's leading universities.

Commencing in February 2020, the UOW Tottenham Hotspur Global Football Program will offer students a unique opportunity to study a UOW degree or UOW College Australia academic or English qualification of their choice at UOW's Wollongong campus. Technical training will be provided by FA & UEFA-qualified coaches from Tottenham Hotspur's Academy & Global Football Development team who are dedicated to creating a world class coaching experience for students.

The first of its kind, the program brings together one of the world's best-known football clubs and one of the world's best modern universities.

ABOUT THE PROGRAM:

- Students will receive 16 – 20 hours of football training each week, scheduled around academic study
- Training will take place on the Wollongong Campus, and will be delivered by Tottenham Hotspur – a club internationally renowned for developing players such as Harry Kane, Harry Winks, Kyle Walker-Peters and Oliver Skipp
- Students will be able to compete for playing opportunities with NSW clubs and selected football associations
- Students in the program will also have the opportunity to attend a UK Residential Player Development Program at the state-of-the-art Tottenham Hotspur Training Centre (cost in addition to program fee)

KEY DATES:

- Applications open: 29 March 2019
- Applications close: 23 August 2019
- Successful applicants will be advised by the end of September*
- Enrolment and program start date is 17 February 2020

* Successful applicants will also be required to meet academic admission requirements for UOW/UOWC programs.

ELIGIBILITY

- The program is open to applications from domestic and international students studying at - or applying to study at - UOW from 2020, for courses available at the Wollongong campus
- Academic applications can be for a UOW degree or UOW College Australia academic or English qualification
- The football program will be undertaken in addition to a student's academic studies, on a full-fee paying basis
- To be eligible for consideration, applicants should provide a summary of their football playing career to date as part of their online application
- Students applying for the UOW Tottenham Hotspur Global Football Program must also submit a separate application to study at UOW or UOW College, via the relevant application process

COST:

The UOW Tottenham Hotspur Global Football Program costs \$15,000 AUD per annum, per applicant.

As part of the program fee, participants will receive:

- 16 to 20 hours of training by FA & UEFA qualified Tottenham Hotspur coaches from the Club's Academy & Global Football Development team
- Compulsory players kit
- Annual membership to the UniActive gym (at the Wollongong campus and Innovation campus)
- Player registration fees with a local club

Students relocating to the region will be offered packaged accommodation options in one of the UOW residences at a significantly discounted price.

The cost of the degree or course students' enrol in is separate to the cost of the Global Football Program. Information about UOW or UOW College program fees can be found online on UOW Course Finder:

About Tottenham Hotspur

Tottenham Hotspur is renowned across the globe for developing young players.

The Club has nurtured talented, world class players including current Spurs First Team players such as Harry Kane, Harry Winks, Kyle Walker-Peters and Oliver Skipp.

Tottenham Hotspur's Global Football Development programs monitor each player individually and holistically, giving them the opportunity to learn and develop their technique, enabling them to reach their potential, playing attacking football with flair, fluidity and passion – traits that are hallmarks of the Club.

TOTTENHAM HOTSPUR'S COACHING PHILOSOPHY & PROGRAM STRUCTURE:

The UOW Tottenham Hotspur Global Football program delivers to players of all abilities a firm focus on maximising every player's potential through:

- **Authenticity:** Coaching from authentic, experienced and highly skilled FA and UEFA-qualified coaches from Tottenham Hotspur who are fully- integrated into the Club's overarching Player Development Model
- **Philosophy:** Academy-endorsed programs which align with the Club's track-record of developing young players with flair, fluidity and attacking football skills – traits which are hallmarks of the Club
- **Progression & Development:** A holistic focus on maximising every participant's potential not just as a player but as a confident individual, with clear progression pathways for players of all abilities

The UOW Tottenham Hotspur Global Football program is structured to mirror the training cycles delivered by the Tottenham Hotspur Academy in the UK. The key areas of focus for professional development will be:

- Continuous development of the outstanding tech-tact specialisms that a player possesses, while minimising weaknesses
- Educate the player how to demonstrate technical and tactical adaptability to meet the needs of the various levels and environments they play within
- Maintaining performance while striving for success and/or dealing with setbacks
- Periodized physical development program integrated into on pitch field sessions
- Educate the player on how he/she can demonstrate the 24 hour 'professional' lifestyle, with an integrated and mandatory education program
- Educate the player on the importance of psychological stamina

BENEFITS OF THE PROGRAM

- Combine study at one of the world's best modern universities* while receiving training from a club world renowned for developing young talent (*16th in the world - QS Top 50 Under 50 Rankings 2019)
- Learn from proven world-class football coaching methods while studying to prepare for life after a playing career
- Learn strategic thinking and problem solving skills
- Refine time-management skills: combining study and training will take focus, dedication, discipline and adaptability – skills which will be seen favourably by employers
- Be a part of the community: participants of the program will take part in community engagement programs such as outreach activities with local clubs to support the game locally and enhance recognition of the program – students will get out in the community and inspire fellow football players
