Dear Dr. Le Chung Tran

We are delighted to announce that the **Australia – Vietnam Innovation Partnership Showcase and Alumni Event** will be organized on the **29th of June**. This event marks five years of collaboration between Australia's Department of Foreign Affairs and Trade (DFAT), the Commonwealth of Scientific and Industrial Research Organization (CSIRO), and Vietnam's Ministry of Science and Technology (MoST), delivering through the Aus4Innovation program to support Vietnam in enhancing its innovation system.

We cordially invite you to this **Showcase** that celebrates the success and impact generated through the Australia – Vietnam Innovation Partnership and present your project of the **Smart Eye – Airborne and AI-Driven Assessment Solution of Sugarcane**. Furthermore, the ceremony will also herald a new chapter for the Partnership, where the extension of the Aus4Innovation program will be launched, signifying the long-term commitment to the innovation agenda and sustainable development of Vietnam.

Date and time: Morning, Thursday, 29th June 2023

Venue: MoST premise, 113 Tran Duy Hung, Cau Giay, Hanoi

As a key partner of the Aus4Innovation program, we would also like to invite you to the **A4I Alumni event** in the afternoon, directly following the showcase. This event includes lunch and networking in a more informal and open space. This will enable A4I alumni to share experiences, explore opportunities and contribute ideas to strengthen the A4I network for the extension of the Aus4Innovation program and beyond.

Date and time: Afternoon, Thursday, 29th June 2023

Venue: To be confirmed

We hope that you will be able to join us at the event, so that we can together celebrate our achievements. We also expect that the event will be an opportunity to connect you with like-minded individuals and organizations.

Looking forward to welcoming you at the **Australia – Vietnam Innovation Partnership Showcase!**

Yours sincerely,

Dr. Kim Wimbush
